Submitted Paper Title (for authors only)

I am interested in: attending the conference submitting a paper preference for presentation: oral poster

Date..... Signature.....

This application form should be sent by the authors not later than December 22nd, 2006.

This Conference will be an excellent opportunity to continue contacts between scientists and specialists from all Balkan countries, in order to exchange their experience and knowledge relevant to the potentialities of standardization, prototypes as well as quality. International practice has proved standardization and related activities to be an ideal way to coordination and harmonization of production and distribution of goods, that is to the development as a whole. Therefore, the purpose of this conference is to facilitate the collaboration between Balkan countries through standardization, prototypes and quality.

Conference Languages

The recommended language of the Conference is English. There will be a parallel translation in a Balkan native language, prerequisite that an interpreter will take part in that country's delegation.

Presentation

The Conference may also include invited lectures, oral presentations, poster sessions and workshops on specialized topics.

Registration

Those who wish to attend the Conference are kindly requested to fill in the attached Registration Form (including paper authors) and send it (by regular mail, e-mail or fax) to the Conference Secretariat together with a photocopy of payment. The final program will be sent in April 2007 to all individuals having sent the filled Registration Form.
