Call for Papers

6th CONFERENCE

“STANDARDIZATION, PROTOTYPES AND QUALITY: A MEANS OF BALKAN COUNTRIES’ COLLABORATION”

October 9-10, 2009, Thessaloniki

This Conference will be an excellent opportunity to continue contacts between scientists and specialists from all Balkan countries, in order to exchange their experience and knowledge relevant to the potentialities of standardization, prototypes as well as quality. International practice has proved standardization and related activities to be an ideal way to coordination and harmonization on production and distribution of goods that is to the development as a whole. Therefore, the purpose of this conference is to facilitate the collaboration between Balkan countries through standardization prototypes and quality.

TOPICS

Standards-Prototypes for Rationalism and Quality:

- in Society
- in Services
- in Education
- in Health Care
- in Environment
- in Production and in Logistics
- in Food, Goods and consumers

Venue

Second city of Greece, Thessaloniki is a major economic, historic and cultural centre located in the centre of Macedonia, northern Greece, easily reached by air, train or road. A great number of archaeological sites, Byzantine churches and other monuments compose the versatile, outstanding image of Thessaloniki, which was the European Cultural Capital for 1997.
